31st March 2022

Dear Parent/Carers,

Re: Phonics Booklets for Year 1 and Reception

We are so impressed with how the children are progressing with their phonics – I am sure that you will have noticed this too. Phonics is the fundamental skill that your child will need to learn to read and write.

Please see our website for more information:

<https://www.westactonprimaryschool.org/curriculum/subjects/phonics>

As well as Little Wandle's website: <https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/>

We are using the Little Wandle scheme and have been implanting this throughout the year. In order to support the children's learning in school, we thought it would be beneficial for them to have some workbooks and have been busy making them. They will be bringing home four booklets this week, one for each of the terms so far. Please spend time this holiday, if possible, working through them. Please bring the booklets in to show your teacher when you have completed them.

From Summer 1 we will be giving one booklet per half term. Year 1 will have an additional booklet for the Phonics screening test which we will inform you about next term.

We hope that you will find them useful and thank you for your support with your child's education.

Yours faithfully

Karen Kondo
Headteacher
