

Holiday Playschemes - October Half Term 2022

The Family Information Service (FIS) has put together this list of holiday playschemes that are running over the October Half Term holiday.

For further information, advice and guidance please contact:

Whilst all Holiday Playschemes are inclusive to children with Special Educational Needs and Disabilities (SEND), some providers have provided additional information on areas of particular SEND specialism which you may find helpful. We advise contacting the provider directly to discuss your child's individual needs.

Visit www.ealinglocaloffer.org.uk for information, advice and guidance on Special Educational Needs and Disability (SEND) services and support within the London Borough of Ealing as well as some key national organisations.

Disclaimer: Whilst Ealing Family Information Service makes every effort to provide accurate and up to date information, it is the parent/carer's responsibility to ensure that the childcare provision they choose to access is suitable for them and the needs of their child(ren). The Family Information Service is impartial and the information we provide is what we believe to be correct at the time of publishing.

Not all holiday playscheme providers are required to register with Ofsted, depending on the hours they operate and/or age groups they care for. Therefore, this list includes holiday playscheme providers who are registered and those who are not registered with Ofsted. You will need to check if the holiday playscheme you choose meets your requirements, including whether or not they are registered with Ofsted. For more information on registered/non registered childcare, visit: [Registration exemptions - Childminders and childcare providers: register with Ofsted - Guidance - GOV.UK \(www.gov.uk\)](#)

If you have any concerns about the quality or integrity of a childcare provider, you can contact **Ofsted** on **0300 123 4666**. For more information on Ofsted, visit their website at www.ofsted.gov.uk

Have you heard about Ealing's HAF programme?
