

West Acton Primary School Newsletter

Friday 3rd September 2021

After a very busy summer at West Acton, it was a delight to welcome your fantastic children back today!

They have had a fantastic day today with their new teachers settling back in, ready for a great year of learning ahead! It was especially nice that we had fine weather today and the children were able to play on the field and enjoy the fresh air.

Over the next few weeks we will be sending out more information and news for you - please ensure that you have read all the letters here about the return to school:

<https://www.westactonprimaryschool.org/newsanddates/letters>

and our latest policies: <https://www.westactonprimaryschool.org/keyinformation/policies>

Have a brilliant week end, ready for a full week of school ahead.
