

13th October 2021

Dear Parents/Carers,

Re: Autumn Parents' Consultation evening

Next week we will have the opportunity for you to meet your child's teacher by video call. We have chosen to keep the meeting by video call to avoid having large groups of people gather in our school corridors. This is for all our pupils from Nursery to Year 6 including Woodlands ARP.

School cloud was a system that we introduced during lockdown earlier this year and it was very successful and easy to use. <https://westactonprimary.schoolcloud.co.uk/> You can book this from 4.00pm today.

We will be sending home your child's recent tests and a copy of their writing for you to see too.

Meetings are online for 10 minutes and you do not need to come into the school for it. Please see the separate letter with details of how to book.

- Tuesday 19th October – all classes 3.50pm to 6.20pm
- Wednesday 20th October – Birch class second session 3.50pm to 6.20pm
- Thursday 21st October - all classes (not Birch) 3.50pm to 6.20pm
- Thursday 21st October – Nursery extra session 8.50am to 11.20am

Please make sure you book your appointment – we look forward to talking with you next week!

Yours faithfully,

Karen Kondo
Headteacher
