Dear Parents/Carers,

**Re: School Dinners survey**

We are lucky enough to have a kitchen on site that cooks fresh and healthy meals for our children every day. Please see here for information: <https://www.westactonprimaryschool.org/parents/schoollunches> We offer meat free Mondays for all - we were the first school in Ealing to do this and cater for a full range of diets including having a daily Halal option too.

This September, Ealing changed the catering company providers from Harrisons to ISS. ISS have worked hard and made a great start at West Acton with a particular highlight being the recent Christmas Dinner in December.

Our School Council have been discussing the school dinners and will meet with ISS this Spring, in the mean time we have put together two surveys – one for pupils and one for parents – that we would appreciate if you could complete and allow your child to complete too.

School dinner survey for parents/carers: <http://westacton.surveys.schooljotter2.com/surveys/page/QRJ37B>

We will text these links too – please can you complete by Monday 17<sup>th</sup> January. Please remember that the surveys are asking about the dining experience and not about playing and activities.

Thank you for taking the time to do this.

Yours faithfully,

**The School Council**
