

Number Day 2022

Dear Parents/Carers,

NSPCC Number Day Dress Up

Friday 4th February 2022

The NSPCC is encouraging schools across the UK to take part in their Number Day - a maths inspired fundraising day. On **Friday 4th February**, we are asking children to wear number themed clothes - whether they dress up as a calculator, wear a football shirt with a number on the back – or even decorate an old t-shirt with lots of different calculations!

We encourage **donations** between 50p - £1, with funds raised from Number Day going to help support vital NSPCC services such as Speak out. Stay Safe, which visits primary schools across the UK to teach children about the dangers of abuse and what they can do if they need help.

Kind Regards,

Mr R Downs
School Maths Lead
