Dear Parents/Carers,

Re: Trips, visitors and workshops

Please find attached a letter about trips, visitors and workshops that your child will experience this school year. More details can be seen here: <https://www.westactonprimaryschool.org/curriculum/tripsandvisitors>

Trips, visitors and workshops supplement our curriculum and bring it to life for our pupils. Some events are for specific year groups but many events bring our whole school community together on themes and events that are relevant to us all.

As a school we fund various events but rely on the voluntary donations from parents/carers. We appreciate logging on and paying online is sometimes difficult (tech or password issues) and often you can simply forget or it just isn't the right time of the month financially.

Therefore, this year as a trial we have set a payment system for the whole year which will remain open until July to allow you to pay for your child's events. You can pay it in instalments or in one go. No child is excluded if their parent does not pay. If you cannot pay it all that is ok, we may send reminders from time to time. Please do let contact us if you have any questions or concerns.

If this works well we will be able start this process in the Autumn next school year, we have had some delays in booking due to COVID this year.

Our amazing and hardworking PTA always support the Coach for our special Year 1 trip to the seaside. For the past two years sadly, we have not been able to go. As we feel it is an important experience for our children this year, Years 1 2 and 3 will go with the PTA supporting all three trips.

You will get reminders and letters about the trips and events as they occur throughout the year and sometimes we require parent volunteers.

Thank you for your support with your child's education.

Yours faithfully,

Karen Kondo
Head teacher
