Behaviour and Attendance at After School Clubs

Children attending after school clubs will be able to learn new skills taught to them by experienced professionals. In order to maximise their enjoyment we expect children to follow all school rules and display high standards of behaviour at all times. Children who do not do so may find that they lose their place in the club.

Punctuality

It is important that you are on time to collect your child at the end of an after school club. If you are late it is unfair on your child and the club provider may charge you for having to look after your child. Persistent lateness to collect may result in your child losing their place in the club.

Walking Home Alone

Children will not be allowed to walk home alone after a club. All children must be collected from the main entrance by an adult at the end of the club.

Club information and links can also be found on our website:
