WEST ACTON PRIMARY SCHOOL NEWSLETTER

Friday 9th December 2022

We have had an exciting week in school with our Christmas dinner on Wednesday whilst wearing Christmas jumpers! Everyone had a great day. We were also very proud of Hammasa winning the Sustrans logo competition which was open to all Ealing school children.

Thank you to everyone who came in to see their children's books – the parents I spoke to were very impressed and proud of all the work they saw.

The children thoroughly enjoyed the Pantomimes this week – it was so nice to see them joining in and laughing.

We have achieved our Gold Healthy Schools this week – this is a fantastic achievement and is a testimony to everyone's hard work. Thank you and well done to Miss Ferreira for overseeing it all. Our Choir – which has doubled in size – superseded all of our expectations with their singing at the ESMA Carol Service for Ealing Schools on Wednesday evening. Thank you to Mr Prothero and Miss Ramshaw for all of their efforts on that.

Please make sure you have checked when your child's performance is for next week!

The weather has turned very cold this week – please wrap up warm. Have a nice week end, Miss Kondo

West Acton school seen a small reduction in the amount of electricity we used during our Switch off Fortnight campaign.

We hope to continue to turn off lights and computer when not in use and do our bit to help our plan.

Can you do the same?

MAYOR OF LONDON

Awarded to:

West Acton Primary School

Date:

December 2022

For your outstanding contribution to improve wellbeing in your school

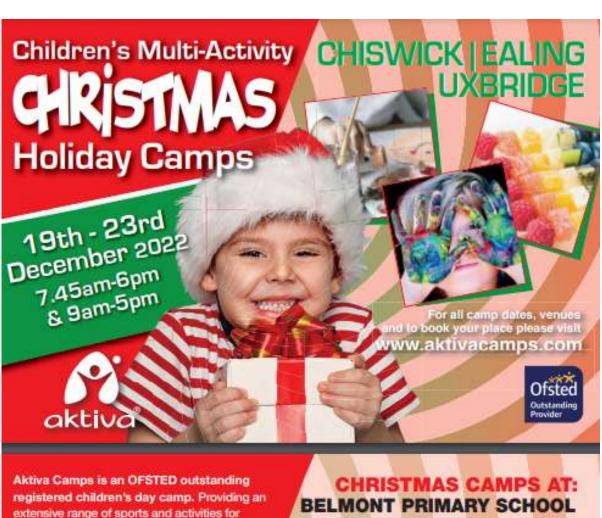

> Sadiq Khan Mayor of London

This week at WAPS, we achieved the Healthy Schools London Gold award! We have been working hard on the Ealing FGM project for three years to ensure our children know how to keep themselves and others safe. We began this project due to Acton having a high percentage of girls at risk of FGM – this started in 2020 and many of our parents also participated. We continue to teach our children how to keep themselves safe with the PANTS rule, consent, Equality Act and our Anti-bullying learning. Well done to everyone at WAPS!

School Council underneath one of our new hall signs — this one we decided to rename the Elizabeth Jubilee Hall, in memory of Queen Elizabeth II.

extensive range of sports and activities for children to enjoy. Aktiva offers children between the ages of 4 and 12 a safe, fun and friendly holiday camp environment. We encourage children to try new things, building their confidence and broadening their experience^{tv.} each and every day. Our programmes are designed to be high energy, full of variety and most

importantly fun! Your child(ren) will return home with memories, home-made souvenirs and having formed new friendships.

Building confidence and broadening experience™

Dear Parent

REMINDER: Update from the NHS and Public Health in North West London to get your child vaccinated over the Christmas holidays

We would like to write to parents of school aged children to remind them to keep up to date with their child's vaccinations. This winter break from school presents a great opportunity to go out and get them vaccinated.

Most children aged one to nine need to receive the **polio** vaccination to keep them safe from its devastating effects. Whilst it is urgent for your child to have the polio vaccination now, it is also important to check your child is up to date with their **covid**, **flu and MMR** immunisations during the winter period.

Lots of appointments are available through local pharmacies and booked appointments at vaccine centres. You can find all the details of places to get your child's polio vaccination here www.nwlondonics.nhs.uk/polio

If your child missed their flu vaccination in school, you can call the flu catch-up number to find out where to get a flu vaccine outside of school in your area;

Brent, Ealing and Hillingdon - CNWL School Aged Vaccination Team - 01895 485 740 Harrow - CLCH School Aged Vaccination Team - 0208 102 6333 Hounslow - CLCH School Aged Vaccination Team - 0203 691 1013 Hammersmith & Fulham, Kensington & Chelsea and Westminster - 0203 317 5076

Why is the polio booster so important?

Polio can result in life-long paralysis and other disabilities, and in extreme cases, even death. There is no cure for polio, immunisation is the only protection.

The additional booster vaccination for all children aged one to nine is being provided in response to the alarming findings that the poliovirus has been found in sewage samples taken in London. It provides the best possible protection, and the Joint Committee on Vaccination and Immunisation (JCVI) have instructed that most children aged 1 to 9 in London should urgently get a booster dose to ensure they are fully protected.

We have not seen a live case of polio in the UK since 1984, and it is vital that we prevent any community spread.

More information and frequently asked questions about the polio vaccination programme for children can be found here: https://bit.ly/polio-fags

Best wishes,

NHS North West London Vaccination and Immunisations Team

What to do when you feel your temper rising...

The holidays are just around the corner and parents/carers and children are getting tired.

Holidays bring lots of joy but they can also bring their own stresses. As we attempt to manage our stress, we may feel our tempers rising.....

We all have triggers and particularly at the moment we may find ourselves outside of our 'window of tolerance'- our children certainly do and so do we! So, what can you do when you feel your temper rising? We often feel an urgent need to DO something, but that is our emergency response system operating. Quite often, however, you do not need to DO anything... other than notice what you are feeling, breathe your way through it and restore yourself to calm before you act.

How can parents help?

First of all, know your triggers. Notice them, as well as what happens in you when your buttons have been pushed. If you can catch it early, you are more likely to feel you have a choice in your response. If no physical intervention is absolutely required (in safety situations), just hold still and breathe. Resist taking action for now and work hard to see things from your child's point of view: what do they need your help with? Finally, always choose love, not fear, set a limit but do it with empathy, move into a playful mode and always be ready to offer a hug!

In September, Sustrans Charity came to our school to introduce to a logo competition.

You had the choice to enter the competition by drawing a logo for their new cycle hub.

The winner would get a bike!

Hammasa in Year 4 Mulberry!

Congratulations to Hammasa who won the competition! She was up against some fantastic entries from not only our school but schools all around Ealing.

The Winning Design!

Thankyou to everyone else who entered the competition!
